**THE TRUTH ABOUT**

**Drug Free Pledge**

**DRUGS**

We, the undersigned, hereby recognise our concern over the growing drug problem among the youth of Australia and pledge our support for the Say No To Drugs, Say Yes to Life program and agree to speak out publicly whenever possible to encourage young people to get educated about the truth about drugs and make the choice to SAY NO TO DRUGS.

Further we ask elected leaders of our country and others in positions of influence to join with us in support of this ideal by encouraging young people everywhere to lead drug-free lives.
